**NOTES TO FINANCIAL STATEMENTS**  
(Unaudited)  
**SEPTEMBER 30, 2006**

**NOTE 1 - GENERAL**

**Organization and Operations**

Trump Plaza Associates LLC, a New Jersey Limited Liability Corporation ("Plaza Associates" or the "Company") is 100% beneficially owned by Trump Entertainment Resorts Holdings, LP (formerly known as Trump Hotels & Casino Resorts Holdings, LP ("THCR")), a Delaware Limited Partnership ("TER Holdings"). Trump Entertainment Resorts, Inc. (formerly known as Trump Hotels & Casino Resorts, Inc.), a Delaware corporation ("TER") currently beneficially owns an approximately 76.5% profits interest in TER Holdings, as both general and limited partner, and Donald J. Trump ("Mr. Trump") owns directly and indirectly an approximately 23.5% profits interest in TER Holdings, as a limited partner. In addition, TER Holdings beneficially wholly owns:

- Taj Mahal Associates, LLC ("Taj Associates"), which owns and operates the Trump Taj Mahal Casino Hotel (the "Taj Mahal"), located on the northern part of Atlantic City's Boardwalk.
- Trump Marina Associates, LLC ("Marina Associates"), which owns and operates the Trump Marina Hotel Casino ("Trump Marina"), located in Atlantic City's marina district.

Plaza Associates owns and operates the Trump Plaza Hotel and Casino ("Trump Plaza"), an Atlantic City, New Jersey hotel and casino. Trump Plaza, the Taj Mahal and Trump Marina are collectively referred to as the "Trump Atlantic City Properties." The Atlantic City market is very competitive, and is anticipated to become more competitive in the future. Plaza Associates derives its revenue from casino operations, room rental, food and beverage sales, and entertainment revenue.

The casino industry in Atlantic City is seasonal in nature with the peak season being the spring and summer months. Accordingly, results of operations for the nine months ended September 30, 2006 and 2005 are not necessarily indicative of the operating results for a full year.

**Reclassifications**

Certain reclassifications and disclosures have been made to prior year financial statements in order to conform to the current year presentation.

**NOTE 2 - REORGANIZATION AND EMERGENCE FROM CHAPTER 11**

**Chapter 11 Reorganization**

On November 21, 2004, our predecessor, Trump Hotels & Casino Resorts, Inc. and its subsidiaries (collectively the "Debtors") filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the District of New Jersey (the "Bankruptcy Court"), as part of a pre-arranged plan of reorganization. While in bankruptcy, the Debtors continued to manage their properties and operate their businesses as "debtors-in-possession" under the jurisdiction of the Bankruptcy Court.

On April 5, 2005, the Bankruptcy Court entered an order confirming the Second Amended and Restated Joint Plan of Reorganization, dated as of March 30, 2005, of the Debtors, as amended (the "Plan"). The Plan became effective on May 20, 2005 (the "Effective Date"), at which time all material conditions to the Plan were satisfied and the Debtors emerged from Chapter 11.

**TRUMP PLAZA ASSOCIATES**  
**NOTES TO FINANCIAL STATEMENTS**  
(Unaudited)  
**SEPTEMBER 30, 2006**

**NOTE 3 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accompanying financial statements have been prepared pursuant to the rules and regulations of the Casino Control Commission of the State of New Jersey (the “Commission”). Accordingly, certain information and note disclosures normally included in the financial statements prepared in conformity with accounting principles generally accepted in the United States have been condensed or omitted. These financial statements should be read in conjunction with the financial statements and notes thereto included in the Company’s December 31, 2005 Quarterly Report as filed with the CCC.

Subject to the foregoing, the accompanying financial statements have been prepared without audit.

**Basis of Presentation**

From the filing of the Debtors’ Chapter 11 petition to the Effective Date, our Predecessor Company and its subsidiaries operated as debtors-in-possession under the jurisdiction of the Bankruptcy Court. Accordingly, the consolidated financial statements for periods from the filing of the Chapter 11 petition through the emergence from Chapter 11 were prepared in accordance with the American Institute of Certified Public Accountants Statement of Position 90-7, “Financial Reporting by Entities in Reorganization under the Bankruptcy Code” (“SOP 90-7”). SOP 90-7 required the reporting of pre-petition liabilities subject to compromise separately on its balance sheet at an estimate of the amount ultimately allowable by the Bankruptcy Court. SOP 90-7 also required separate reporting of certain expenses relating to the Debtors’ chapter 11 filings as reorganization items.

Upon emergence from Chapter 11, we adopted fresh-start reporting in accordance with SOP 90-7. Under fresh-start reporting, a new entity was deemed to have been created for financial reporting purposes and the recorded amounts of assets and liabilities were adjusted to reflect their estimated fair values. The term, “Predecessor Company” refers to the Company and its subsidiaries for periods prior to and including May 19, 2005, and the term “Reorganized Company” refers to the Company for periods on and subsequent to May 20, 2005.

As a result of the adoption of fresh-start reporting, the Reorganized Company’s post-emergence financial statements are generally not comparable with the financial statements of the Predecessor Company prior to its emergence from bankruptcy, including the historical financial statements included in this report. Due to the adoption of fresh-start reporting, the Predecessor and Reorganized Company financial statements are prepared on different bases. See Note 6 for a condensed balance sheet showing the impact of fresh-start accounting at May 20, 2005.

**NOTE 4 – LONG-TERM DEBT**

*TER's Senior Secured Credit Facility*

On May 20, 2005, TER and TER Holdings entered into an agreement for a \$500,000,000 senior secured credit facility (the "Credit Facility") with a group of lenders. Pursuant to the Credit Facility, as amended, the lenders have agreed to provide TER Holdings (i) a revolving credit facility in the amount of \$200,000,000, (ii) a single-draw term loan facility in the amount of \$150,000,000, which was drawn on the Effective Date and (iii) a delayed draw term loan facility in the amount of \$150,000,000, which may be drawn in multiple borrowings through May 20, 2007. The Credit Facility, as amended, also includes a sub-facility for letters of credit in an amount of up to \$70,000,000. At September 30, 2006, TER had outstanding letters of credit of \$40,000,000 under the Credit Facility.

Proceeds from the term loans may be utilized to (i) pay off amounts outstanding under the debtor-in-possession financing, which occurred on the Effective Date, (ii) fund the construction of a new tower at the Taj Mahal, (iii) pay fees and expenses in connection with our restructuring, and (iv) provide for ongoing working capital and general corporate needs; provided that \$150,000,000 of the term loan is restricted to fund construction of the new tower at the Taj Mahal. The revolving portion of the Credit Facility may be used to fund ongoing working capital requirements of TER Holdings and its subsidiaries and other general corporate purposes. The revolving credit facility matures on May 20, 2010. The term loan matures on May 20, 2012, and must be repaid during the final year of such loans in equal quarterly amounts, subject to amortization of approximately 1.0% per year prior to the final year.

Borrowings under the Credit Facility are secured by a first priority security interest on substantially all the assets of TER Holdings and its subsidiaries. TER Holdings' obligations under the Credit Facility are guaranteed by TER and each of its direct and indirect subsidiaries except TER Keystone. TER and its subsidiaries are subject to a number of affirmative and negative covenants and must comply with certain financial covenants including maintenance of a leverage ratio of 8.75 to 1, a lien coverage ratio of 2.25 to 1 and an interest coverage ratio of 1.35 to 1. The Credit Facility restricts our ability to make certain distributions or pay dividends.

On September 28, 2006, TER and TER Holdings entered into Amendment No. 2 to our Credit Facility. Under the terms of the Amendment, the definition of earnings before interest expense, income taxes, depreciation and amortization ("EBITDA") for financial covenant purposes was modified. Under the new definition, we are allowed to adjust our calculation of EBITDA for the impact of the three-day closing of our gaming operations during July 2006 as mandated by the State of New Jersey Casino Control Commission. At September 30, 2006, we were in compliance with our covenants.

**NOTE 5 – GOODWILL**

A rollforward of goodwill for the period from December 31, 2005 to September 30, 2006 is as follows:

Balance.....	\$25,416,000
Adjustment to reduce inter-company debt due to revisions to initial issuances.....	(347,000)
Balance, September 30, 2006.....	<u>\$25,069,000</u>

**NOTE 6 – INCOME TAXES**

The accompanying financial statements do not include a provision for federal income taxes since the Predecessor Company was a partnership for federal income tax purposes and the Reorganized Company is a division of TER Holdings, which is taxed as a partnership, for federal income tax purposes. Therefore, the Predecessor Company's income and losses are allocated and reported for federal income tax purposes by its partners and the Reorganized Company's income and losses are allocated and reported for federal income tax purposes by TER Holdings' partners.

The state income tax provision attributable to income/(loss) from continuing operations before income taxes is as follows:

	<b>September 30,</b>	
	<b><u>2006</u></b>	<b><u>2005</u></b>
Current Expense.....	<u>\$873,000</u>	<u>\$2,061,000</u>

The Company is currently involved in an examination with the Internal Revenue Service (the "IRS") concerning the Company's federal partnership income tax return for the tax years 2002 and 2003. While any adjustment that results from this examination could affect the state income tax return, the Company does not believe that adjustments, if any, will have a material adverse effect on its financial condition or results of operations.

State income taxes for the Company's New Jersey operations are computed under the alternative minimum assessment method. The Company believes it is exempt from these taxes and, as such, has not remitted payments of the amounts provided. The New Jersey Division of Taxation has issued an assessment to collect the unpaid taxes for the tax years 2002 and 2003. At September 30, 2006, The Company has accrued \$6,387,000 for taxes and interest relating to this alternative minimum tax assessment for 2002 and 2003, as well as the open years 2004 through September 2006. The Company is currently in discussions with the New Jersey Division of Taxation.

**NOTE 7 – FRESH-START REPORTING**

TER and its subsidiaries adopted fresh-start reporting upon its emergence from chapter 11 on the Effective Date in accordance with SOP 90-7. TER and its subsidiaries are required to apply the fresh-start provisions of SOP 90-7 to its financial statements because (i) the reorganization value of the assets of the emerging entity immediately before the date of confirmation was less than the total of all post-petition liabilities and allowed claims and (ii) the holders of existing voting shares of THCR Common Stock immediately before confirmation (i.e., the holders of shares of the common stock of the Predecessor Company (the "Old Common Stock") that were issued and outstanding prior to the commencement of the chapter 11 proceedings) received less than 50 percent of the voting shares of the emerging entity. Under SOP 90-7, application of fresh-start reporting is required on the date on which the plan of reorganization is confirmed by a bankruptcy court, but SOP 90-7 further provides that fresh-start reporting should not be applied until all material conditions are satisfied. All material conditions to the Plan were satisfied as of May 20, 2005.

**NOTES TO FINANCIAL STATEMENTS**  
(Unaudited)  
**SEPTEMBER 30, 2006**

The Company and TER have elected to apply “push-down” accounting with regard to the impact of fresh-start reporting on subsidiary financial statements. Fresh-start reporting requires that the Company adjust the historical cost of its assets and liabilities to their fair value as determined by the reorganization value of the Company as set forth in the plan. Furthermore, the reorganization value must be allocated among the reorganized entity’s net assets in conformity with procedures specified by Statement of Financial Accounting Standards (“SFAS”) No. 141, “Business Combinations” (“SFAS 141”). TER had engaged an independent appraiser to assist TER in the allocation of reorganization value under the Plan to TER’s assets and liabilities, including Plaza Associates. The Company used the independent appraiser’s analysis and other information to make the allocations as of the Effective Date. The Company’s intangibles include trademarks (including a perpetual, exclusive royalty-free license of the “Trump” name and certain derivatives thereof, subject to certain terms and conditions), and goodwill.

The adoption of fresh-start reporting resulted in the following adjustments to the Company’s balance sheet as of May 20, 2005:

Accordingly, the Company recorded the following as intangible assets at May 20, 2005 (in thousands):

Trademarks.....	\$ 62,000
Goodwill.....	23,327
Leasehold Interest .....	50
Total .....	<u>\$ 87,377</u>

Leasehold Interests are being amortized on a straight-line basis over a period of seven years and are included in depreciation and amortization in the accompanying statements of income. The trademarks have an indefinite life; accordingly, trademarks are not subject to periodic amortization but are reviewed annually for impairment. Goodwill is reviewed annually for impairment.

The net reorganization fresh-start gain/(loss) as of May 20, 2005 consisted of the following (in thousands):

Net gain/(loss) resulting from reorganization of debt and equity .....	\$79,365
Net gain/(loss) resulting from fresh-start value adjustments to assets and liabilities.....	<u>17,487</u>
Net fresh-start reorganization gain/(loss).....	<u>\$96,852</u>

The extraordinary gain from reorganization of debt relates to the settlement of long-term debt and accrued interest at an amount less than the historical recorded value. As this gain resulted from the bankruptcy recapitalization and as such was unusual and infrequent in nature, it has been reflected as an extraordinary gain pursuant to Accounting Principles Board Number 30, "Reporting the Results of Operations-Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions", and Financial Standards Board Statement Number 145, "Rescission of FASB Statements No. 4, 41, and 62, Amendment of FASB Statement No. 13 and Technical Corrections."

At September 30, 2006 and 2005, amounts due to (from) affiliates were \$2,494,000 and \$(141,000), respectively. These amounts are included in other current liabilities in the attached balance sheets. The Company has engaged in limited intercompany transactions with TER, Trump Administration (a division of Taj Associates), Marina Associates and Taj Associates, all of which are affiliates of Trump.

Amounts due to/(from) affiliates are as follows:

These reimbursements were subject to limitations set forth in such indentures, including an annual limitation of \$10,000,000 in operating expense reimbursements and a life-time limitation of \$50,000,000 in interest expense reimbursements. As such, TAC’s subsidiaries, Plaza Associates and Taj Associates were permitted to reimburse TAC for its interest expenses and operating expense reimbursements to THCR. **NOTE 11 – COMMITMENTS & CONTINGENCIES**

Legal Proceedings

Chapter 11 Cases

Although the Company has emerged from bankruptcy, we are still in the process of resolving various claims and other litigation in connection with the Plan, which may continue for the foreseeable future.

On July 18, 2005, the Bankruptcy Court considered a motion brought by a certain group of persons alleging that they had held shares of our Predecessor Company’s Common Stock on the record date for distributions made under the Plan (and who subsequently sold their shares prior to the distribution date) but did not receive any distributions under the Plan, which they believe were wrongly made to the beneficial holders of our stock on the distribution date. The movants had sought an order compelling us to make distributions to them under the Plan. After additional briefing and a court hearing with respect to the issue on October 8, 2005, the Bankruptcy Court denied the movants’ motion on February 17, 2006. The movants filed an appeal from the judgment entered in the Bankruptcy Court in favor of the Predecessor Company. The appeal is pending in the United States District Court for the district of New Jersey.

401(k) Plan Participant Litigation

On February 8, 2005, certain individuals filed a complaint in the United States District Court for the District of New Jersey, Camden Division, against certain persons and organizations that included members of the Trump Capital Accumulation Plan Administrative Committee. In their complaint, the plaintiffs alleged, among other things, that such persons and organizations, who were responsible for managing the Trump Capital Accumulation Plan, breached their fiduciary duties owed to the plan participants when THCR Common Stock held in employee accounts was allegedly sold without participant authorization if the participant did not willingly sell such shares by a specific date in accordance with the Plan. The plaintiffs brought this suit under the Employee

Retirement Income Security Act of 1974 on behalf of themselves and certain other plan participants and beneficiaries and sought to have the court certify their claims as a class action. In their complaint, the plaintiffs also sought, among other things, damages for losses suffered by certain accounts of affected plan participants as a result of such allegedly improper sale of our Predecessor Company's THCR Common Stock and reasonable costs and attorneys' fees. The parties have commenced discovery, which is ongoing in this matter. At this time, it is anticipated that there is sufficient insurance coverage to provide for projected legal fees and any potential contingent judgement. The insurance carrier has assumed the defense of litigation.

Other Litigation

In addition to the foregoing, Plaza Associates and certain of its employees are involved from time to time in other legal proceedings arising in the ordinary course of business. While any proceeding or litigation contains an element of uncertainty, management believes that the final outcomes of these other matters are not likely to have a material adverse effect on our results of operations or financial condition. In general, we have agreed to indemnify our employees and our directors against any and all losses, claims, damages, expenses (including reasonable costs, disbursements and counsel fees) and liabilities (including amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties) incurred by them in any legal proceedings absent a showing of such persons' gross negligence or malfeasance.
